

Dear Students and Parents/Guardians,

This is a reminder that registration for AP Exams is open until Monday, November 2 at the current price of \$100 per exam. [Click here for the registration link](#). **If you have already registered for the exams you intend to take there is nothing else you need to do.**

(Students can verify that they have registered for their exams by logging into their AP Classroom through their College Board account and see if their exam registration has been updated. Parents can also check their credit card statement to make sure the payment was processed.)

The cost is \$100 per exam until Monday, November 2. **The price increases to \$140/test after November 2.** Please note that students must register and pay for the test through the website listed above and not on the College Board website. If paying for your child's AP exam is a financial hardship, please reach out to your child's school counselor before registering.

More details regarding AP Testing are available on the [Counseling website](#). As as a quick recap here are the important dates:

- Initial registration: 10/13/20 thru 11/2/20 (\$100 per exam)
- Registration blackout period: 11/3/20 thru 11/13/20
- Late registration: 11/14/20 thru 2/19/21 (\$40 late registration fee added)
- \$5 cancellation fee per exam (if after 11/14/20)

Please feel free to reach out to School Counselor, [Mr. Casey Bowles](#), or Unit 3 Principal, [Mrs. Carlie McGinty](#), should you have any questions about the registration process.

Sincerely,

Casey Bowles

School Counselor and AP Coordinator
